

By the Numbers

- 1885:** The year JHS was founded; we are the second oldest nonprofit in Jacksonville.
- 1924:** The year JHS opened the Beach Boulevard shelter.
- 2005:** The year JHS became a no kill shelter, shifting focus to implement model programs and forge strategic partnerships to achieve a no kill community.
- 1,500:** The number of additional underage kittens saved at the kitten nursery.
- 5,600:** The number of spay and neuter surgeries performed at our animal hospital each year.
- 5,400:** The number of orphaned dogs and cats JHS shelters, rehabilitates and finds loving homes each year.
- 3,000:** The number of animals JHS transfers from Jacksonville's government shelter; many require intensive medical and behavioral care.
- 2,900:** The number of families experiencing problems with their pets that receive help such as free behavior assistance, pet food and veterinary care from JHS annually with the goal of keeping pets with their families and out of shelters.
- 5,000:** The number of children and young adults JHS delivers humane education to each year. JHS also partners with other nonprofit agencies to incorporate animals in lessons targeting at-risk youth.
- \$5 million:** The annual cost of JHS's lifesaving work.
